LOCAL YMCA KIDS TO BENEFIT FROM PAVILION DONATION.

Carlisle, PA – Last month, Equiterra Properties and the Local Order of Moose Carlisle Lodge #761, donated a pavilion to the Carlisle YMCA for use in their summer day camps and other programs. “The pavilion was not being utilized so we were thrilled to be able to provide the kids in the local YMCA programs a much more comfortable environment for their outdoor activities” said David Loring, owner of Equiterra Properties. “They will certainly put it to good use and that is what this is all about.”

The Carlisle Family YMCA’s New Frontier Day Camp located at the Carlisle Y’s Men and Women’s Farm is a thriving local program that serves up to 100 kids daily. “Our Day Camps service kids all summer long. This generous donation from Equiterra Properties and the Carlisle Moose Family Center Lodge 761 will make a real difference for them. Outdoor activities will be much easier for us to schedule and for the children to enjoy,” said Steve Kuhn, Director of Youth Outreach and Day Camps at the Carlisle Family YMCA. “The additional and very usable space will allow us to grow. Serving as many of the local youth as possible and providing a positive impact on more families, is the goal of this program.”

The pavilion was located at the former Rock Meadows Golf Course and has been moved into place at the YMCA summer camp. The structure itself is made of wood and covers approximately 7,000 square feet. This permanent structure will provide protective shelter for the kids of this community for many years to come. “The Carlisle Family YMCA is very appreciative of the support provided by this generous donation and a previous donation of a pavilion by Dr.
